

# Blue Carbon:

*Sources, Rates and Fates of Carbon  
in the Marine Environment*

**2019  
YEAR OF  
CARBON**

**Friday 28 June, 2019 • Royal Society of Edinburgh**

## **Keynote Speaker**

**Professor Thomas Bianchi, University of Florida**

### **Convenors:**

- **Professor Bill Austin**, University of St Andrews; [bill.austin@st-andrews.ac.uk](mailto:bill.austin@st-andrews.ac.uk)
- **Dr Ian M Davies**, Marine Scotland Science; [ian.davies@gov.scot](mailto:ian.davies@gov.scot)
- **Professor John M Baxter**, Scottish Blue Carbon Forum; [j.baxter4@btinternet.com](mailto:j.baxter4@btinternet.com)
- **Professor Des Thompson FRSE**, Scottish Natural Heritage; [Des.Thompson@nature.scot](mailto:Des.Thompson@nature.scot)
- **Catriona Jeorrett**, Marine Scotland, Scottish Government; [Catriona.jeorrett@gov.scot](mailto:Catriona.jeorrett@gov.scot)

### **Expressions of Interest and Pre-Registration:**

This is a one-day meeting, co-sponsored by the Marine Studies Group of the Geological Society of London, the SAGES Source to Sea Forum, and Marine Scotland and the Scottish Blue Carbon Forum.

Registration details will follow; expressions of interest (pre-registration) and proposals to contribute oral or poster presentations are welcome by 1 April, 2019.

Please contact **Bill Austin**: [bill.austin@st-andrews.ac.uk](mailto:bill.austin@st-andrews.ac.uk)
